Mrs. Tina E. Birds

24.06.2026

Dear Parents/Carers,

We are pleased to inform you of a new initiative regarding Free School Meals.

Under updated guidance, households in receipt of Universal Credit are now eligible to apply for Free School Meals for their child/children.

All families, including those who are already eligible, must be reassessed before September 2026. This means that even if your child currently receives Free School Meals, you will still need to reapply to ensure eligibility for the 2026/2027 academic year.

Please apply using the link below. This will also be shared via message:

<https://apply.cloudforedu.org.uk/ofsm/sims-trafford>

If you believe you may be eligible but are unsure how to apply, please contact the school office and we will be happy to assist you.

Yours sincerely

MRS TINA E BIRDS
HEADTEACHER
