Dear Mr Winstanley & pupils of St Alphonsus RC Primary School,

I expressly wanted to write and thank you for the totally amazing donation of £200-00, received through our Just Giving Appeal, as a result of your recent non-uniform day: an outstanding sum, taking us ever nearer the finish line for our £2,500 target.

I'm sure your colourful and impressive posters, which I loved, really helped to get everyone interested and involved.

Our fabulous Choir celebrates its 13th Birthday in June and this is the first time a school has ever supported us in this way; therefore your kind and generous donation is very special indeed.

We know there are many charities and good causes looking for support every day, so the biggest

THANK YOU ever for choosing to help us in this way: you are all total stars.

Kindest Regards

Karen Elliott
